E-Newsletter ♦ Edition - 57 ♦ Month - February

## Foreword

As the end of the academic year approaches, it marks the beginning of nostalgia as we step into something ahead. This month's newsletter is a heartfelt farewell message to the graduating class of Grade 12—paying tribute to their journey, triumphs, and emotions in closing one chapter and stepping into another.

GRADUATION DAY

SENIOR WALK

OUTDOOR EDUCATION  
GRADE 6 AND GRADE 9

## GRADUATION DAY

The 8th of February 2025 marked the successful graduation of yet another batch from our school.

The sun shone brightly the morning of graduation day, the air was buzzing with a sense of nervous anticipation excitement but tinged with a sense of sadness. After all, their school days have come to an end.

After 12 glorious years, it was time to step into their caps and gowns and say goodbye to the place they called home for all these years. The event began with the graduates walking down the aisle led by their beloved teachers and Principal ma'am. Already, I could see several parents begin to tear up.

# SENIOR WALK

"Goodbyes are not the end; they are the beginning of new journeys. As one chapter closes, another awaits to be written."

The morning of February 7th, 2025, started with exciting preparations for the Senior Walk. We, the 11th graders, were responsible for decorating the Wall of Fame and Memory Lane for our graduating seniors. The air was filled with cheer, confetti, and heartfelt goodbyes. Students of all grades were ready with their hand-written cards, gifts, chocolates, and many more in the corridor.

## OUTDOOR EDUCATION

### Exploring Chola Dynasty

#### GRADE 6

This is Neel Shanker and I am lucky to be one of the students of Grade 6 who got to embark on this wonderful journey during our outdoor educational trip. During this trip we dove into the history of the Chola dynasty and the outstanding aspects of the Chola empire such as their food, temples and art forms.

### Following the Trails of Pandyas

#### GRADE 9

On the evening of 30th January 2025, a group of 9th graders assembled at our school at 6:45pm for the Pandya Trail. We boarded the bus and headed to the Egmore Station. Once the compartments were sorted, we sat with our friends, and the train departed at around 8pm towards Madurai.

## SCIENCE ON SPOTLIGHT

"Education is the passport to the future, for tomorrow belongs to those who prepare for it today."

Grade 3- Grade 7 students had interesting hand-on activities this month as part of their Science classes. Creating phases of the moon using Oreo, flipped class, making circuits and investigating properties of air are a few. Read on to find more about the activities.

# Primary Panorama

The school was filled with warmth and positivity as students from Grade 2A and 3B led a heartwarming Kindness Assembly for the primary section. Through engaging performances, inspiring stories, and heartfelt messages, they showcased even the smallest acts of kindness can create a ripple effect, leaving a lasting impact.

## KG CONJUNCTURES

**TINY FEET, BIG DREAMS:  
A JOYFUL KG SPORTS DAY CELEBRATION**

The school ground buzzed with excitement as our youngest athletes, the kindergarten students, took center stage for their much-anticipated Sports Day. Dressed in their house uniforms and beaming with enthusiasm, the little ones were ready to showcase their energy, teamwork, and sportsmanship.

## SOCIAL SCIENCE

**Understanding Money through Old  
Coins and Currency Notes**

Recently in the Social Science period, we learned about the history of money in India, and it was very interesting! Our teacher showed us old coins, commemorative coins, and even old ₹500 and ₹1000 notes. We got to see a one-rupee coin made of pure silver, which was very special. We compared old and new money, and it was fascinating to see that old coins had pictures of kings, while today's notes feature Mahatma Gandhi and famous landmarks like India Gate.

## अंतर्राष्ट्रीय मातृभाषा दिवस

अंतर्राष्ट्रीय मातृभाषा दिवस २१ फरवरी को मनाया जाता है। मातृभाषा हमारी रूक ऐसी भाषा है, जिसे हम सभी अपने जन्म से सीखते आ रहे हैं और जिसे हम किसी भी अन्य भाषा की तुलना में बेहतर ढंग से बोल सकते हैं। इस दिन को मनाते का मुख्य उद्देश्य लोगों को इस बात से जागरूक करना है कि, उनकी मातृभाषा कितनी खास है। यह दिन हमें यह एहसास कराता है कि, हमें अपने मातृभाषा को कभी भुलाना नहीं चाहिए। आजकल इस विकसित तकनीकी दुनिया में युवा अपनी मातृभाषा को भूलते जा रहे हैं। जबकि अब अंग्रेज़ी एक महत्वपूर्ण भाषा बनती जा रही है, हम इसे अपनी मातृभाषा की अंत का कारण बनने नहीं दे सकते। किसी की मातृभाषा व्यक्तिगत पहचान से गहराई से जुड़ी होती है। यह हमें अपनी मातृभाषा को उजागर करने का मौका देता है और हमें अपनी वास्तविक सांस्कृतिक पहचान पेश करने का अवसर कराता है। इसलिए हमें अपनी मातृभाषा को संरक्षित करने की ज़रूरत है।

## சர்வதேச தாய்மொழி தினம்

மொழியின் பன்முகத்தன்மையை அறிந்து கொள்வதற்காக ஆண்டுதோறும் பிப்ரவரி 21 ஆம் தேதி உலக தாய்மொழி தினம் கொண்டாடப்படுகிறது. இந்த நாள் உலகம் முழுவதும் மொழி மற்றும் கலாச்சாரப் பன்முகத்தன்மை பற்றிய விழிப்புணர்வை ஊக்குவிக்கிறது. 1999 ஆம் ஆண்டு நவம்பர் 17 ஆம் தேதி, யுனெஸ்கோவால் முதலில் அறிவிக்கப்பட்டது. தாய்மொழி என்பது நம் அடையாளம். எம்மொழி கற்பினும், தம் தாய்மொழியை மறவாமல் கற்றல் அவசியமாகும்.

# BVS GOT TALENT

A view into the Internatural Insight Committee

- Grade 8

We (Aadhirai, Pranav, Danyasri, Vardhini, Sona, Sudhiksha, Navya and Visvasivam) are IIC, a group of students from grade 8 who have actively pursued research on major natural calamities of our world. We have devised a method to predict

incoming natural disasters including earthquakes, cyclones, landslides, and hurricanes. We have predicted more than 5+ earthquakes, 3+ cyclones and 2 major landslides (Thiruvanamalai & Wayanad).

# DESIGN THINKING

## Art & Craft

The students of Grades 7 and 8 embarked on an exciting and creative journey to make crochet products. Some students made scarves in a range of colors, while others focused on more intricate items like Purse, Camera model, Octopus, coaster etc.

[Click here to view more...](#)

## ICT

Grade 1 students made their very own animated stories using simple animation software. This activity not only sparked their imagination but also introduced them to basic digital storytelling skills.

[Click on the image to view the animation](#)

## Design Technology

Students from Grades 6, 7, and 8 learned to design 3D models using software and brought their designs to life with 3D printing technology. This project helped students gain essential technical skills and also allowed them to experience the joy of creating something with their own hands and minds.

# ACHIEVEMENTS

## School cricket team in action!

Virat Kohli once said "Failures are a part of the journey. If you don't fail, you don't learn" and that's what we have learnt from our first match of our very own school's cricket team who played the tournament conducted by TNCA at the Jeppiaar Ground on 28th of January 2025.

We all had something to experience and learn that day, let it be in fielding or bowling or batting. It was a 30 over match. The ground was a very fast outfield. The sun rays did not have any mercy on us.
